

GETTING STARTED

Part One

PRELIMINARIES I

1 - **Pray** to make sure that this is the program that is right for your child or children.

2 - **Sign-up** under the program of your choice.

- Curriculum Only –
 - Parent or student directed and administered.
 - Access to online Online Curriculum Only: PDF, Video, or PDF & Video courses.
- Enrollment in LIVE Online School
 - School directed and administered.
 - LIVE Online Classes with classmates & instructors.
 - Access to the Online Curriculum: PDF, Video, or PDF & Video courses.
 - Weekly LIVE Online Forum includes:
 - Oral Presentations: Forensics.
 - Assessment of the Week's Learning through Fun Competitive Games
 - Student Government Business.
- Enrollment in School using the Online Curriculum, but no LIVE Online Classes
 - Instructor directed and administered.
 - Access to Online Curriculum Only: PDF, Video, or PDF & Video courses.

3 – **After Sign-up go to the Courses Area:**

- Open-up the *Opening Exercises* course and learn how to use it.
- Open-up *Study Skills 1*. Watch the videos, read the PDFs. Apply what fits your situation. The six *short* lessons are:
 - 1: Learning through the Spirit and the Prayer Chain Project.
 - 2: The Assignment Notebook.
 - 3: The Knowledge Journals.
 - 4: Forensics
 - 5: Importance of the Opening Devotional and Brain Gym® Exercises
 - 6: The Importance of the Closing Devotional and Hymn #153
- Open-up *Getting Started – Part Two: Health Concerns*. Read and Implement.
- Go to *The Parent Classes Section and access the Learning Readiness Lessons – PC 103*. Following the instructions there, administer the Learning Readiness Tests to your student. If you find deficits work to correct them. If necessary, engage professional help.

4 - **Dive into the Curriculum.** See *Getting Started, Part Three*.
